Joan Clark | Resume – Web Design, Graphics, and Animation
Creativity and Effective Web Design Aimed at Achieving Client's Goals

jclarx@comcast.net
707.280.0222
821 University St.
Healdsburg, CA 95448

Objective
To continue to support my current clients while expanding my business reach by offering professional web site design, production, web-based animation, and site management.

Proficiencies
- HTML, CSS, JavaScript
- Dreamweaver, Photoshop, Illustrator, InDesign, WordPress,
- Web-Based Animation, Flash, ActionScript,
- Copy writing, Content development, Digital image-and-photo processing
- Web Design, Development, and Management,
- SQL, PHP, Database Design

Experience
After years of graphic design experience in print, I have added web development to my range of expertise. As a business owner and independent contractor for the last 30 years, I value my clients and always strive to deliver an exceptional customer experience. In addition to a business-focus, I also have in-depth knowledge of technology in K-12 Education.
